Santa Fe, New Mexico 87501

Dear Mr. Stamets:

I am writing in regard to order number CASE 5697 concerning the water flood or unitization that the Elk Oil Co. in Lea County, New Mexico has started.

This is a request for a copy of the disbursement sheet which list the royalty owners together with the working interest owners in the above described unit. This list would be included in the operators agreement for the subject unit.

Please let me know if you need further information or if you want me to pay for these copies before you send them.

Thank you,

LARRY O. HULSEY

Re: Proposed Northeast Kemnitz Unit
Lea County, New Mexico

ATTENTION: Mr. Joseph J. Kelly

Gentlemen:

We have reviewed the unit agreement and Exhibits "A" and "B" to the Northeast Kemnitz Unit, Lea County, New Mexico. The form of agreement meets with the requirements of the Commissioner of Public Lands, therefore, the Commissioner has this date approved your agreement as to form and content and as a logical area for unitization.

On your Exhibit "B" please show your assignment numbers after the lease number. (K-6874-1, K-6875-1, K-6667-1, and K-6876-1) Your Exhibit "A" must be corrected to show the present Lessee of Record and the correct lease number. We note that the Exhibit "A" still carries M. R. Antweil and Monsanto and Marathon as Lessees of Record. Also, we require John M. Kelly's ratification under tracts 2, 3, 10, 11, 12 and 13.

Upon receipt of these corrections and upon approval by the New Mexico Oil Conservation Commission of the Northeast Kemnitz Unit, final approval will be granted.

Your Eighty (\$80.00) Dollar filing fee has been received.

Very truly yours,

PHIL R. LUCERO
COMMISSIONER OF PUBLIC LANDS
